

PROJECT NAME: U.S. Dream Academy Afterschool Program Expansion

RECIPIENT: U.S. Dream Academy

LOCATION: Salt Lake City, Utah

PURPOSE: The U.S. Dream Academy is an innovative afterschool tutoring and mentoring program targeted at 3<sup>rd</sup> – 8<sup>th</sup> grade students that aims to break the cycle of intergenerational incarceration by giving children the skills and vision needed to lead productive and fulfilling lives. Funding will help increase the number of students the Dream Academy is able to effect by providing 80 computers, an online tutorial program, training and background checks for mentors, volunteer recruitment, workshop, teacher and school psychologist development resource materials, furniture, books, STEM education curriculum materials, field trips, and more.

AMOUNT: \$1,000,000
